Dear Manager...

I'm a regular customer and would love to buy more Fair Trade coffee or bottled tea the next time I'm dining here.

To be a Fair Trade Campus, it is essential that we all do our part to ensure just compensation for the farmers who provide so much for the U.S. market. I'd greatly appreciate if you would pass my request on to the person responsible for selecting the coffee and bottled tea sold in your establishment.

Thank you,
