*Spread the Love this Valentine's
Day with Fair Trade Chocolate*

Divine Chocolate is made with the finest cocoa from the 60,000 farmer members of Kuapa Kokoo in Ghana who co-own the company. Because the cocoa is certified Fair Trade, they get a guaranteed income and you get guaranteed pleasure, so everyone's sweeter!

Our mission is to improve the lives and opportunities of small-scale cocoa farmers in West Africa by establishing a dynamic, branded fair trade chocolate marketing company, thus putting the farmers higher up the value chain. Our vision is a world where chocolate is cherished by everyone.
