Dear Manager...

I'm a regular customer and would love to buy more Fair Trade fruits and vegetables the next time I shop here.

To be a Fair Trade Town, it is essential that we all do our part to ensure just compensation for the farmers who provide so much for the U.S. market. I'd greatly appreciate if you would pass my request on to the person responsible for selecting the fruits and vegetables sold in your store.

Thank you,

Name: _____ Date: _____
