## Fair Trade Resolution

### WHEREAS

- What we choose to purchase, eat, and drink impacts farmers, workers, artisans and the environment;
- Growers of coffee, tea, chocolate and other products produced in Latin America, Africa, and Asia are often paid less than a living wage, and forced child labor may be involved;
- Conventional means of growing coffee and other commodities are often damaging to the environment, harming local ecosystems;
- Fair Trade ensures fair wages, humane working conditions, and environmental sustainability, and prohibits forced labor of any kind;
- Faith communities and campus groups around the country and the world already support Fair Trade;
- The Rollins mission statement upholds social responsibility and environment stewardship as reflected in the following excerpt: We are dedicated to scholarship, academic achievement, creative accomplishment, cultural enrichment, social responsibility, and environmental stewardship;
- By becoming a Fair Trade College, Rollins College will demonstrate a commitment to sustainability;
- By becoming a Fair Trade College, Rollins College would more effectively educate the campus community about Fair Trade;
- By becoming a Fair Trade College, Rollins College would inspire other institutions and organizations to support Fair Trade;
- By becoming a Fair Trade College, Rollins College would enhance its image as a leader in sustainability;
- Rollins College endorsed the Talloires Declaration in 2003, and supporting Fair Trade is an effective way to put into practice the principles of social justice and environmental sustainability;
  - By signing the Talloires Declaration, Rollins College agreed to:
    1. Increase Awareness of Environmentally Sustainable Development
    2. Create an Institutional Culture of Sustainability
    3. Educate for Environmentally Responsible Citizenship
    4. Foster Environmental Literacy for All

    10. Maintain the Movement
